MEMO ENDORSED

Re: *United States v. Carl Morris*, 17 Cr. 201 (SHS)

Dear Judge Stein:

The Government respectfully submits this letter to update the Court on the status of the parties' efforts to resolve certain issues in advance of sentencing, currently set for February 24, 2021, and to request a further adjournment of the Government's deadline to file its sentencing submission. Since the Government's December 18, 2020 request for an adjournment until today to file its submission, the parties have continued to work diligently to resolve many issues in this case and the defendant has had an opportunity to review the Government's proposed agreement. Today, the defendant indicated he wished to review and present to the Government certain financial records as they relate to the appropriate forfeiture calculation in this case.

Accordingly, to allow the Government to do so, and to avoid burdening the Court with any additional adjournment requests, the Government respectfully requests the Court adjourn the Government's deadline to file its sentencing submission until January 27, 2020, by which point the Government anticipates the parties will either have executed the agreement or be prepared to present to the Court any remaining issues for the Court to resolve. The defendant consents to this adjournment request.

Request granted.

Respectfully submitted,

Dated: New York, New York
December 29, 2020

Acting United States Attorney
